

Material from Oxfordshire archives relating to Blue Row

N.B much of this is as yet unedited and some references are as yet unresearched, but included for benefit of other researchers.

We believe Blue Row was built in 1806. John Powell, the mason, who built Blue Row and did much of the local restoration, may have owned the plot of land in 1802 (B on the inclosure map). He certainly had an interest in it from 1806. Burnt House Homestead is just to the east of Blue Row, and its Close extended down to the Griffin. The lane down the side of the cottages was called Watery Lane (the stream runs under it now). We believe the messuage referred to below at # is currently called Old Farm Cottage, and is off Watery Lane to the North of Blue Row. Most of Watery Lane is now represented by the footpath leading across the Motte and Bailey grounds down past the Griffin (turnstile at each end).

The detailed information below traces back the ownership of the cottages and neighbouring properties from the Duke of Marlborough onward.

Ownership of Blue Row

1803 4th May 43 George III 1803. In consideration of 5 shillings paid by William Atkins to the Duke of Marlborough, the Duke of Marlborough leases the premises to Wm Atkins for one year for a peppercorn rent.

A messuage or tenement commonly called by the sign of the Griffin with outbuildings, yard, gardens and appurts, together with a small piece of meadow ground lying contiguous thereto in the Parish of Swerford and containing 1a.15p. (143 on inclosure map?)

Several pieces of arable meadow and pasture ground with appurts in the fields of Swerford and reputed to be 2 yard lands with common rights thereunto belonging (Plot 140 on inclosure map seems to include plot where Blue Row is to be built ?)

Piece of inclosed meadow or pasture in the Parish of Swerford and containing 4a.1r.4p. and called Burnt House Close. (139 on map?)

Piece of inclosed meadow or pasture ground in Swerford containing 1a.1r.12p. (not identified) {Flick III/i/1}

1803/4 Extract of Release following lease for a year of 4th May 1803.

Recites that the Duke of Marlborough levied of fine of the premises in Hilary Term last and that the Duke of Marlborough has contracted with Wm Atkins the younger to sell the premises to him for 1592 pounds 19s6d. In consideration of this sum paid to The Duke by Wm Atkins and in consideration of 5s. paid by the Duke to Robert Brayne, the Duke releases the Premises to William Atkins upon such trusts as Wm Atkins shall direct and in default of such direction to the use of Wm Atkins during his life, then to the use of during (and) the life of Wm Atkins in trust for Wm Atkins and to prevent any wife of Wm Atkins from dower out of the premises and then to the use of the heirs and assigns of Wm Atkins.

Declares that the fine so levied by the Duke of Marlborough to Joseph Brookes shall be as concerning the premises to the use of Wm Atkins and his heirs in a manner aforesaid. (Extract of lease for a year of 4th May 1803 Cat No III/i/1 attached to original deed) {Flick III/i/2}

- 1806 Recites Release of 5th May 1805 (should be 1803?) whereby the premises hereinafter appointed were conveyed to William Atkins the younger of Chipping Norton, mealman, to such uses as he should direct, by John Duke of Malborough. Now in consideration of 60 pounds paid to Wm Atkins by John Powell, mason, and of 5 shilling paid to Wm Atkins by Robert Brayne, Wm Atkins appoints that the property be conveyed to the uses hereinafter expressed. In further consideration of the sum of sixty pounds and the 5 shillings paid to Wm Atkins by Richard Chapman of Banbury, surgeon, William Atkins enfeoffs John Powell with :
toft where messuage formerly stood (but which was destroyed by fire) in Swerford with barn, stable, cowhovel and yard, which were purchased by Wm Atkins as aforesaid and are now in the occupation of Thomas Wiggins. John Powell to hold the property to such uses as he should direct and in default, to the use of Richard Chapman of Banbury, surgeon, for the life of J Powell, and to the use of J Powell and his heirs forever. Wm Atkins covenants to produce the deeds in the schedule consisting of fine of 43 George III and lease and release of 4/5 May 1803.
